Email: surreyheath@familyvoicesurrey.org

Victoria is a parent carer of 2 children, aged 12 and 8. Eldest child has diagnoses of Developmental Language Disorder and dyslexia. He attends a SEN secondary school.

She has moved around the UK so have had to navigate the challenges of working with different LEAs to ensure son's education and support is consistent.

Victoria previously worked in a SEN school, helping to support children who have complex social communication needs, ASD, ADHD, PDA and SPD.

She has a keen interest in mental health and currently studying to become a counsellor.

Any spare time is spent walking Bo (her very energetic cocker spaniel) reading and trying to build up the energy to go to the gym!

Victoria hosts events both virtually and in person. If you would like more information about these then please use this link for the full FVS calendar of events across Surrey [FVS Events Calendar | family-voice-surrey \(familyvoicesurrey.org\)](#)
