

Family Voice Surrey Action Card

Card number	001
Project	EBSNA
As a	Group of parents of academically able children unable to attend mainstream school
We want	To understand what educational options are currently available for these children. To see SCC's plan for specialist provision that includes an equitable range of academic teaching and qualifications. To see how SCC's sufficiency plan accounts for these children
So that	Our children may have the education to which they are entitled and which will allow them to flourish and become independent adults.
Allocated to	Leanne Henderson
Accepted by	TO BE SENT TO MARK KEILLER
Outcome measure	SCC will provide their plan for such children in the current system (including alternative provision and EOTAS options) as well as their future plans.
Date Received	March 2022, but a question that has been asked every month for the last year.
Dates of updates	Please provide an initial response by end of May 2022, and updates quarterly
